# SchlossKultur

There is a new series of events in our city: SchlossKultur. Exhibitions, readings, concerts, theatre performances, performances - anything is possible.

In October 2023, the town of Herzogenaurach celebrated the reopening of the town hall and castle building with an open day. A year later, it will be hosting a new series of events there - Herzogenaurach Castle Culture. It brings cultural events of all kinds to the town centre in loose succession. Venues include the castle terrace, the market square, the castle courtyard - and also the meeting room in the town hall, where SchlossKultur will start on three evenings in October.

Look forward to **cabaret with Christine Eixenberger**, a **concert with the Suedy Shoes Jazzup Band** and a **reading with Ursula März** at the start of SchlossKultur and get your tickets now
