Bicycle fair & leisure mile

Once again this year, the motto was: bicycle fair meets leisure mile. Just in time for the cycling season, there was plenty of information and inspiration in Herzogenaurach city centre. The next bike fair will take place on 10 May 2025.

Whether it's bike advice, test rides, practical accessories, information on bike tours and safety or club activities - cycling fans will get their money's worth on this day. Find out what awaits you at the next bike fair.

The leisure mile of the Nuremberg metropolitan region has also been a guest in Herzogenaurach for 2 years: tourist areas, cities and leisure facilities present themselves in the city centre and whet the appetite for new cycling tours and experiences.

STADTRADELN - Cycling for a good climate!

The city of Herzogenaurach was again taking part in the STADTRADELN competition. During this period, everyone who lives, works, belongs to a club or attends a school in Herzogenaurach could take part in the "Climate Alliance" campaign and collect as many cycling kilometers as possible both professionally and privately. Cycling was done in teams. The most active cyclists receive attractive prizes.

The award ceremony will take place in the court yard on Wednesday, June 19, 2024, at 4 p.m.
