Driver's Licence

Applications for the issuance, extension or transfer of a driver's license, as well as applications for passenger-carrying vehicle driver's licenses and forms for medical certifications are available at the Citizens Advice Bureau.

All applications have to be submitted at the Citizens Advice Bureau for approval of the registration data (fee: EUR 5.10).

The Citizens Advice Bureau may then forward the complete application forms to the Driver's License Agency at the Erlangen-Höchstadt Administrative District Office.
